There was no meeting last Monday.

Instead, Samantha Manning had organized a Winery Tour.

On the Sunday 12 October 19 members and friends of the club came together for a fantastic day of fellowship, food, and fine wine.

We began at Mitchelton Winery, where we enjoyed a guided wine tasting session with Belinda, sampling a selection of their acclaimed whites and reds. This was followed by a delicious lunch at The Provedore, and then a brief tour of the winery.

From there, we travelled to Tahbilk Winery, where the group embarked on a peaceful and relaxing

river cruise through the Tahbilk wetlands. Our boat driver and guide, Chris, enriched the experience with fascinating insights into the region's ecology.

Once ashore, we were welcomed by Lachlan, Tahbilk's engaging and enthusiastic guide, who captivated us with stories of the winery's rich history and a detailed explanation of their winemaking process. His passion and knowledge added a special touch to the experience.

The day concluded with free time including another round of wine tasting, and for those interested, there was an opportunity to purchase wines directly from Tahbilk's cellar door, with many taking home a bottle or two to remember the day.

Huge thanks to:

- Sam Manning for organizing the event
- Greg Byers for chauffeuring us in the bus
- Belinda, Chris and Lachlan who made the day informative and fun

Our organiser Sam Manning

- And to everyone who participated with such enthusiastic spirit

This outing was a wonderful celebration of Rotary fellowship—bringing us closer together through shared experiences and fun moments.

Thank you Jane for the report and the photos
