GREETER	ALISON HALL		MARK DOSSOR

IF YOU CANNOT FULLFIL YOUR DUTIES PLEASE ARRANGE SOMEONE ELSE AND ADVISE PRESIDENT GREG

Replacing our Monday 21st meeting, is a very special event on Sunday 20th August when we will visit the Base Recording Studio 7 Yarra Place South Yarra. Phil Threlfall, an ARIA winning producer, the owner of the studio, will show us through his facility. Phil has worked with likes of Jimmy Barnes, Tina Arena and many others. We will take the trip by train, leaving at 9.16am from Seymour Station, meeting for lunch at midday, which Ruth will coordinate, and return. Let's make sure we support this wonderful opportunity. Partners and friends are encouraged to join us.

Confirmation numbers are required by August 10 so that a lunch booking can be made.

No meeting this week but a band of trusty members enjoyed a glorious Sunday morning for a clean up at our storage shed location followed by a BBQ lunch. Thanks to Greg Byers, Ian Chadwick, Gary Doherty, Mark Dossor, John Keeffe, Tony Lee, Dave Palmer, Chris Bence, Jane Challis, Alan Walton and Tony Woodhouse for their participation.

SEYMOUR ROTARY MARKET

We now have 44 participants but still need a greater variety of vendors. If you have contacts that sell, eggs, cheese, honey, bread and plants, please ensure that they are aware of our market. This week we commence a new monthly round of community markets so if you are visiting them over the next month, please be armed with a supply of our vendor information leaflets. Please ask Mark Dossor for a supply.

We have just 44 days till our first Market on September 17. It is important now that we focus on our efforts to make this an outstanding success not only for us as an organization but also for the Seymour community as a whole. We have two goals. The first is to provide a great experience for our customers the second is a

rewarding experience for our vendors. Our vendors must be welcomed warmly, they must enjoy the process and most importantly they must make some money. If they don't, they will not come back! I think we can expect that there will be some loss of the smaller vendors due to unrealistic expectations but we must do all we can do to minimise this fact. Continuing updates will be provided in the coming weeks to ensure we are ready to go for this important event. As previously stated, while we feel less manpower will be required than might be expected it is important that the functions that must take place can be backed up. This will allow us to rotate our membership demands for future market dates but we remind you all that it is just 11 times per year for around 66 hours in total.

and so does Seymour !
